## **Collage Class with Jo Lynn O'Neil**

Your choice of pattern designed by Laura Heine from Painted Pony or at [www.fiberworks-heine.com](http://www.fiberworks-heine.com)

Read the back of your pattern for fabric suggestions and yardage that you will need. I have found that fat quarters of busy florals work well. You will need a calm fabric for some underlays. You may be able to do some trading in class with the other students.

6 yards of reg Steam a Seam

Applique Pressing Sheet

Black Sharpie pen

Pattern Ease - whatever amount your pattern suggests

Sharp fabric scissors—I love Karen Kay Buckley's perfect scissors, the 6" (blue handle) works especially well for this

Pins

Background fabric - check your pattern for amount. You can use one piece but a lot of the patterns have pieced backgrounds. It is your choice. If you want to audition some and get help deciding, please bring this with you.

You may want to bring a piece of pink foam core board to use for attaching your project. It needs to be big enough to pin your project to. You will probably not get finished and you need to transport this home without it coming apart.

You will not need a sewing machine for class. I will talk to you about options for appliquéd and quilting.

Please contact me if you have questions.
