LIBBY'S LOG CABIN SUPPLIES

The Log Cabin is one of the most versatile and loved quilts since the Civil War. It is ideal for strip piecing and perfectly suited for using up scraps. Libby's Log Cabin is a stunning combination of two traditional blocks - Log Cabin and Variable Star. The red print used for the stars makes them stand out on the scrappy background.

Both confident beginners and experienced quilters alike will find this class to be an exciting journey with boundless creative possibilities as you learn some new techniques and how to mix fabrics with beautiful results. This quilt finishes at 60" X 75" and will be an impressive addition to your collection!

Supplies:

- Libby's Log Cabin pattern (purchase as a download at www.quiltingdaily.com).
- Basic sewing supplies
- Sewing machine, cord, foot pedal, $\frac{1}{4}$ " foot (have working knowledge of your machine)
- Rotary cutter and cutting mat (at least 12" X 18")
- Clear ruler with $\frac{1}{4}$ " measurements (at least 12" long)
- Thread for your machine and pre-wound bobbins (neutral thread colors work best for piecing)
- Fabric scissors
- Seam ripper
- Glass head pins/pincushion
- Spray starch (optional)

Fabric:

- 8 fat quarters assorted dark prints in red and brown*
- 8 fat quarters assorted light prints in blue and tan*
- 1 5/8 yards tan print*
- 1 yard red print*
- 4 3/4 yards backing fabric

*Color combinations can be changed if desired (i.e. blue and tan; green and tan/cream)

****BEFORE CLASS** - please cut out all or as much of the pattern as you can for the project so that we have enough time for sewing in class.
