Machine Quilting for Novices

Jane Plisga

Supply List:

- Sewing machine in good working condition with *instruction manual*, all accessories and the largest portable flat surface that you have for your machine (the shelf that comes with the machine or larger, plastic flat surface, if you have one).
- Free-motion (darning) foot for your machine
- Walking foot with edge/seam guide for your machine
- Machine needles, #75 **or** 80 for quilting
- 2 - 24" square (approx) pieces of fabric - muslin is fine.
- Batting 24"-26" square
- 5-10 safety pins - size 1 (best to have the pins already opened and in a container)
- 50 weight cotton thread and bobbin to match, any color (easier to see errors and tension problems with a contrasting color)
- Basic sewing supplies
- Kwik-Klip and Machingers gloves (suggested)

In class we will learn how to use the walking foot with the edge/seam guide and for gentle curves. Also we will do a little beginning free-motion quilting.
