Learn to Make a T-Shirt Quilt!

After this class, students will be able to complete a t-shirt quilt from the Twist & Turn pattern from the book, You Did What with My T-Shirts?? The process will include prepping a t-shirt for sewing, trimming the t-shirt, and sewing fabric strips onto t-shirt to make a quilt square.

We will only work on 2 blocks in class, but students will be able to continue the process to make a quilt.
