This class is for those who have never quilted on their home machine before and for those with experience. Ann Moore is a Westalee instructor and has years of experience. Come have a fun day with Ann...she can't wait to meet you in class!

****Class fee is non-refundable so please give careful consideration before registration; classes must meet minimum participation for them to occur. If PPnQ cancels the class (i.e. lack of participation), your class fee would be refunded.**
