Westalee and Sew Steady have come up with exciting new ways to quilt on your home machine. This class will teach you how to use Westalee design rulers to quilt quickly and easily. This class is for those who have never quilted on their home machine before and for those with experience. Ann Moore is a Westalee instructor and has years of experience. Come have a fun day with Ann...she can't wait to meet you in class!
PLEASE REVIEW ALL INFORMATION.

****Class fee is non-refundable so please give careful consideration before registration; classes must meet minimum participation for them to occur.
If PPnQ cancels the class (i.e. lack of participation), your class fee would be refunded.**

Class fee (one day class) is \$71.00 (supplies are separate). Westalee items must be pre-ordered; we will place the order to Westalee based on information that you provide us when you register (see list below).

When Westalee product arrives, we'll send another email in request for payment; we do this ahead of class day to avoid congestion on morning of class.
