

From pink:

Cut 8 flower bottoms using the template provided.

From yellow/pink dot:

Cut 8 flower tops using template provided.

1. Gently curve the bias vine around the upper left corner of the quilt. The vine should start over the 12" block on the top left of the quilt as shown and curve down past one 12" block for about another 6" on the left side of the quilt. Pin in place.
2. REPEAT for the lower right corner.
3. There are 4 flowers on each vine. Arrange one flower in each corner, one on the top vine and one on the bottom vine, and two on each side vine. Pin in place.
4. There are 20 leaves on each vine. Arrange the leaves along the vine. When pleased with the placement, pin in place.
5. Using your favorite applique' technique, sew the pieces to the border.

#### Finishing

1. Layer the quilt top, batting and backing and quilt as desired.
2. Bind quilt. Quilt should measure 52" x 64" finished.
