

**Quilted Village Block of the Month Starter class**  
(for BOM participants)

To help you get going and start on the right foot, we have planned a Starter class for the Quilted Village project.

The date is **Sat., July 13 (930-noon)**, with a small \$10.00 fee.

Debbie Stojanik, the maker of our display quilt (and a previous employee) will be your guide. She will discuss paper piecing tips as well as working with this particular pattern, and she will also touch on silk ribbon embroidery.

If you'd like to join us, please give a call to register.
