

Apliquick Club

We will be using the book: Happy Flower Quilts by Atsuko Matsuyama. Pick your favorite project(s), gather your materials and come and sew!

Sherrie and I will be working on the Happy Flower Quilt Sampler shown on the cover of the book. If you want to sew along, here is a list of things to bring:

Book - Happy Flower Quilts by Atsuko Matsuyama

Fabric

Background for appliqué blocks -

Various low volume fabrics at least 6" x 6". (There are 41 appliqué blocks).

OR if using just ONE background fabric, bring 1 1/2 yards. (More if you plan to use it in your pieced blocks also)

Scraps for appliqué and pieced blocks.

Items for appliqué blocks

apliquick tools

black mat or a washable work surface

glue pen

fabric glue

Quilter's Select Print and Piece Fuse Lite

serrated scissors

mechanical pencil

(You can bring your own iron, and pad if you want - we have some available in the classroom).

Items for pieced blocks

freezer paper (if using Sherrie's method for making templates)

small cutting mat

rotary cutter

ruler

paper scissors

sewing machine (don't forget foot pedal, cord, thread, pins, bobbins, etc.)

We'd love for you to **share your tips and techniques for apliquick and your method** of making templates.

NOTE: In the book it is suggested you make a copy of the large pattern sheet of appliqué pieces so you don't cut into the patterns printed on the back. Kinko's can make large copies. I don't know about Office Depot or Staples.
