## 2019 “Be Squared” FABRIC EXCHANGE

### “Be Squared” – “KAFFE FASSETT Style” Exchange

PP'nQ is hosting a 10” square exchange. This is an exchange for people who want to trade “quilt shop quality” fabrics. **There are NO meetings - just FUN!**  
**Get started today!**

#### Guidelines:

1. Choose and **Purchase a “Kaffe Fassett style” fabric** (i.e., Tula Pink, Brandon Mably, Amy Butler, etc.) **from PPnQ** that you’d like to use for the exchange. (see the chart below). *This is in consideration of all other participants who will be honoring the same guidelines.*
2. If necessary, check with Sales Clerk to make sure you’re getting the correct type of fabric, and to see if another person participating has already chosen it on our chart. *Hint in choosing...the “color of the month” should be the predominant color in your selection.*
3. A staff member will place a swatch of your fabric on our chart and write down the color #.
4. Get enough fabric to cut (12) 10 ¼” squares. 1 yard will work...but we recommend getting 1 ¼” yd just in case you make a boo-boo, or you would like to have a 10” strip left for yourself.
5. Cut a total of (12) 10 ¼” squares; you may choose to oversize the square by ¼”, and you should have plenty of fabric to do this. Please be careful not to short the square, as the other participants want to be sure to get full measurement. SAFETY PIN your name and phone number to one corner of the set of squares. (note: if you choose, you may call ahead to see if the classroom is in use; if not you are more than welcome to bring your cutting mat, cutter, and ruler to cut your squares and turn them in)
6. Turn in your squares **before** the due date. The due date is the final date and no fabric will be accepted after that time.
7. Your exchanged squares will be ready by the pick up date shown below – not a day earlier.
8. You may pick and choose which months you want to participate!
