Teacher: Nicole Lester

Class Name: Split Formation T-Shirt Quilt

Class Date & Time: Sat., April 15 from 9:00 AM- 2:30 PM

Class Description: Have you always wanted to make a T-shirt quilt, but the process made you second guess trying? Now is the time to take a chance and learn the ins and outs of making the beloved and sought-after T-shirt quilt. During this one session class, I will teach you tips and tricks on how to make a T-shirt quilt based off of the pattern, Split Formation. I will also discuss other layouts you can use using the same techniques learned in class, such as a framed shirt layout and collage style.

Class Fee: \$43.50

Number of Students: Min- 5, Max- 12

Class Supply List:

- Book: T-shirt Quilts Made Easy by Martha DeLeonardis
- Follow "Fabric Requirements" found on page 31 in the book (I used the fabric requirements for a Twin size, which is 12 T-shirts, 6 yards of Iron-on interfacing, 12, 12 ½ " squares of various colors, ½ yard of a "pop" color, 5/8 yard for inner border, 2 ½ yards for outer border)
- Bring paper/notebook for notes for additional styles of T-shirt quilts
- Cutting mat, rotary cutter, seam ripper, thread, sewing scissors and any other quilting essentials you like to have on hand
- Sewing machine
- Iron if you prefer having your own

Student Prerequisites:

- Knowledge on how to properly work your sewing machine
- Be able to successfully sew a ¼" seam
- The first half of class will be spent discussing how to cut up your shirts and stabilize them properly along with other layouts not from the pattern. The second half will be getting started on assembling the quilt. Do NOT cut your shirts or stabilizer prior to class. Make sure your chosen shirts fit within 12 ½ " squares (unless you're okay with some of the shirts being trimmed off).
